

AMS Associates
Keeping Industry In Motion

Visit us on the web at:

www.amsmotion.com

Linear and Mechanical Motion Systems, Rodless Actuators; Single, X-Y & X-Y-Z Gantry Systems

macrondynamics.com

Linear Ball Screw and Roller Screw Actuators up to 150,000 lbs of force. Customs welcome.

mikrolar.com

Precision DC and Brushless Motors and Gear Heads from 1.5mm to 22mm diameter.

namiki.net

Precision Planetary Reducers, Zero Backlash Reducers, Traction Drives for PT and Motion Control applications. (formerly SHIMPO)

nidec-dtc.com

Machine Upgrades, Thermoforming and paper and film converting
Servo Controls, Drives, Motors & Systems

iis-servo.com

Optimize thermoforming or injection molding lines with proven part extraction and stacking automation. Customizable to existing equipment. Increase throughput, reduce labor & cycle times.
